Auction Coordinator: Al Munro

DUES: Dues in The Canadian Association of Wooden Money Collectors are only \$7.50 per calendar year and should be sent to our Membership Chairman: Don Robb, P. O. Box 724, Waterloo, Ontario N2J 4C2 Canada.

CAWMC MAIL AUCTION: This is the issue with the auction. Al advises that it is almost ready to go. For full details please the auction pages. As I don't have the copy yet I can't make many comments. Please bid by the deadline. Happy hunting.

CAWMC ANNUAL GENERAL MEETING: As stated previously in Timber Talk our annual meeting will be held during the CNA in Vancouver - August 19, 1990. It will follow our breakfast. It may be unfortunate but I think one topic that may be on the agenda as a possible dues increase for CAWMC. It has been a number of years since we raised dues. As you all know the postage rates have increased a number of times. Printing and other costs have risen slightly. It costs about 75-80¢ per issue of Timber Talk just for the newsletter expenses. As you can see this is more than the \$7.50 per year members pay in dues. Also, usually a wood is included (thanks to the generosity of a number of members) with each issue. Our auctions, both mail and at the CNA do raise a few more dollars, but even this income is not making up the deficit. Holding at least two mail auctions a year I think is a good idea, but this is alot of work for the auction coordinator. Do any of you have any ideas? Some time ago I asked members what they thought of CAWMC 'articles' like baseball caps, key chains, etc. I received ONE comment. One member was willing to purchase a cap! Not very encouraging is it? I do believe that if we had something available, like our logo rubber stamps a few years ago, that a number of members would order. Our profit on these types of items is low, as we are providing something for our members more than anything else.

FREE WOOD OF THE MONTH: Many people donate sufficient wood for each member of CAWMC, however there are times when a member has a surplus of wood but not enough for each. These donations are encouraged as well. This month each member will receive one of the following wood. The wood on the left is Frank Harding's new wood printed in black. The one on the right is Glen Williams; 1985 Christmas wood printed in red (name side) and green.

MY WOODEN NICKEL'S WORTH by Lou Vest

WHILE VISITING THUNDER BAY, Ontario, in April of this year, I contacted Gerry Tremblay in search of wooden nickels. The timing was perfect! The Lake Superior Coin Club, of which Gerry is an active member, had just released a new wood, commemorating the tenth anniversary of the club. The obverse is the familiar C.N.A. logo

in red, and the reverse depicts a map of Lake Superior in metallic blue. These woods are available at 75¢ each plus S.A.S.E. from Gerry Tremblay, 2826 Redwood Ave., Thunder Bay, Ontario, Canada, P7C 1Z2.

UPDATE: Further to previous article re the SAGALS' wood, the wood shown in that article is not available. What John did, however, was stamp his remaining woods with "1990" in gold just above the word "THE" on the reverse side. At the time of this writing John still had a few left. Try sending S.A.S.E. to John Sagal,

RR #2, West Scotch Line,
Minden, Ontario, Canada,
KOM 2K0.

Ed. Note: As Lou indicated in a note to me the wood shown above just won't reproduce very well, but it is described in the article.

WOOD FOR SALE: Member Mrs. Marion G. Beardsley of 255 West Second Street, Fulton, New York, U. S. A. 13069-2234 advises that she has some of the 25th Annual Coin Show wood of the Oswego Co. Numismatic Association for sale at 25¢ each plus SASE. See below.

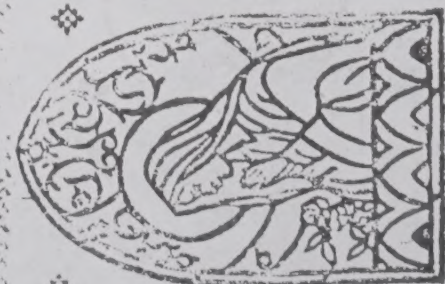

TWO MORE CHRISTMAS WOODS: Clinton B. List of RR # 2 -3280 - Route 6, Eastham, Ma. U. S. A. 02642 issued two woods that he will trade for other holiday issues or sell at 35¢ each + SASE. (His 3" x 4" wood sells for 50¢ + SASE.) Note - second wood has verticle name, etc.

Greetings of the
Season and Happy
New Year - 1990

The List Family
Eastham, Ma.

AUCTION WOOD: To help you bid on the CAWMC auction, which is on the next three pages, some of the wood are shown below. This should be especially helpful to those varieties that are off centre. I have numbered most of the wood, but those at the bottom are issues by Gary Littrell and Les Winners. You can find them in Al's list. Good Luck.
